MEMORANDUM FOR: Director of Central Intelligence  
Deputy Director of Central Intelligence

THROUGH: Chairman, National Intelligence Council  
Vice Chairman, National Intelligence Council *HDH*

FROM: Julian C. Nall  
National Intelligence Officer for Science and Technology

SUBJECT: Distribution of SNIE on The Soviet Reactions to Stealth

1. At the 26 June NFIB meeting, the Subject SNIE was approved, and it was agreed that distribution would be limited. The DIA representative, [redacted] was asked by you to provide a proposed DoD distribution list at an early date. On 15 July the DDCI received from General Williams the proposed list which recommended 50 copies. (Copy of list is attached.)

25X1

2. I believe that the large majority of the recipients have justification to receive a copy of the document. There are several, however, that I think could be eliminated or the number of copies reduced. They are:

DUSD(P) -- Under Secretary will receive a copy  
USD(R&E)/ATSD(AE) -- Atomic Energy not part of SNIE  
DIA (reduce from 20 to 10)  
DAMO-SS (Director of Army Plans) -- Army Stealth not part of SNIE.

The proposed reduction would result in a distribution of 37 rather than 50 copies.

NOTE FOR: Deputy Director of Central Intelligence

SUBJECT: Distribution of SNIE on The Soviet Reactions to Stealth

1. After much prodding, the memorandum from General Williams on the proposed DoD distribution list for the SNIE was received today. The number suggested is 50, a reduction of one from the earlier informal DIA request.

2. I don't have a good feel as to what you want for a limited distribution Estimate but I have no objection to the proposed recipients. If you want a reduction, I would recommend the following deletions:

DUSD(P)  
USD(R&E)/ATSD(AE)  
DIA (reduce from 20 to 15)  
AFXOXZ (Director of Plans)
